

### Who can use our Services?

Anyone is eligible who does not have easy access to a car, does not have access to public transport or cannot easily use public transport.

### When do we operate?

Transport can be provided Monday to Saturday, 7am-7pm, subject to availability of drivers (outside these hours may be available on request)

### Where do we operate?

Journeys are for residents of Suffolk Coastal who need transport around our local area.

### When can I book?

Office is open Mon - Fri 8.30am to 4pm.

You can also make a booking online through our website or on Suffolk on Board ([www.suffolkonboard.com](http://www.suffolkonboard.com))

### What is the Cost?

Fares are charged on all our services (some services will incur an annual registration fee). For more information please call

**01728 830516**

### About Coastal Accessible Transport

Established in 1997 and essentially a volunteer based organisation, CATS uses its own accessible vehicles and volunteer car drivers to transport people who cannot use public transport easily, have no access to a car or live in a rural location.

### Who funds us?

Coastal Accessible Transport relies on fundraising, grants as well as being supported by Suffolk County Council and the goodwill of our volunteer drivers.

### Are you interested in volunteering?

We are always looking for new volunteers to join us either driving our minibus, MPV or your own vehicle.

We would love to hear from anyone who has business or fundraising skills who would be interested in joining our Trustees.
